April Newsletter

Dear LifeKids Parents,

One of the greatest joys I have as Director of LifeKids is getting to see you and your children each week. It is a privilege and an honor to be able to serve you and come along side of you as parents. My hope is that LifeKids isn't just a place where your children go each week while you attend service, but that it would be a place where we help plant those tiny seeds of faith in your child's heart and then help you to cultivate them into blossoming relationships with Christ!

The goal of this monthly newsletter is to keep you informed with what is going on in LifeKids and to provide you with valuable resources to help and support you as you try to raise Godly children in today's world.

In Him,
Sarah Canfield
Director of LifeKids

Volunteer Training: Update

This is just a friendly update to let you know that we recently had two Volunteer Training

Sessions. At these meetings we went over the new [Volunteer Handbook](#) and learned new ways to engage with your children and teach them about Jesus. We are constantly learning and trying to make LifeKids the best it can be. At LifeChurch we believe in always giving God your best and that means frequently reviewing, updating, and improving upon every aspect of what we do, all with you and your child's relationship with Christ in mind!

Thank you for being part of our amazing LifeChurch community! We currently have several opportunities to serve in LifeKids. Sign-up today to do a [First Serve](#) and join in on all that God is doing in LifeKids!
